**Staffing:** We would like to welcome **Miss Lucy Robinson** to our school and into Parrett Class as a student teacher from Taunton SCITT (School Centered Initial Teacher Training). Miss Robinson will be with us all term.

**SAT Testing:** Our children in Year 6 have been working hard towards the compulsory testing which will show how well they have all progressed. We will be putting on a special and very sociable breakfast to help them prepare for the mornings ahead. Their mindset has been especially impressive this past few weeks showing that they are deserving of being our role models in school. We wish them the best of luck!

Year 2 have already started their testing although they probably will not have realized! They have been well prepared for these tests through fun activities as well as some challenging problems. Testing ends at half term.

**PFA:** Tuesday 28th May - Family Forest School @ Drayton Woods; 10:00-14:00; £10.00 per family. Places are limited. Contact [racheljones76@hotmail.co.uk](mailto:racheljones76@hotmail.co.uk) to reserve your place.

The PFA's AGM will take place on Friday, 5 July 2019 at 15:30 in the School Hall.

**Thank You:** A huge thank you to all of the parents and carers who visited last week to look at the creative writing work we had completed towards 'Tuesday' as a whole school. A special thank you to those parents who showed an interest in the work of other children too—you made them very happy indeed.

**Safeguarding:** SchoolBlock from ParentShield allows parents to block all non-essential calls, texts and mobile data for their child's mobile phones during school hours. As with all of the parental controls that come with ParentShield SIM cards, this cannot be circumvented by the child. You can learn more at <https://parentshield.co.uk>

**Capture a Comment:** *"What are the School Council plans for this term?"*

"We're going to fundraise for some new whiteboards. Some of them do not work anymore or you can only use them sometimes so we are going to get some sponsoring which will make our mums and dads very happy! We are meeting Mrs Doughty Davis on Monday to get the forms and posters ready." (School Councillors)

**Questions on the Gate:** *"Is there a nut ban at school?"*

We would like to remind all parents that children are not permitted to bring anything into school which contains nuts. This includes Nutella, cereal bars and any other food product containing nuts. This is very important as we have children in school who could be seriously affected by nut products being in the same room as them.

**LangFest 2019 (Sat 14 & Sun 15 September 2019):** Next planning meeting to start to 'shape' the festival on Monday, 13 May; 7.15pm; Black Swan (upstairs room). All welcome particularly anyone who would like to organise or help to support an event. Now is your chance to get involved to create a vibrant and fun arts festival weekend for all the family!

**Conference for Parents/Carers:** 'Supporting Children & Young People with Dyslexia'; Saturday, 29 June 2019; 9.30am-12.30pm; Edgar Hall, Somerton; £10.00; to book [www.somersetparentcarerforum.org.uk](http://www.somersetparentcarerforum.org.uk)
