Staffing: Congratulations to **Miss Megan Gosling** who has accepted a place on a teacher training course starting in September. Although we will be sad to lose her, it is great that we will be gaining an excellent teacher into the profession this time next year.

A letter has gone home today welcoming **Mr Usher** back into Sedgemoor alongside **Mrs Ramwell**.

School Trips: Aller, Isle & Kingsmoor Year 5's Trip to Carymoor will take place on Thursday, 27 June. A letter was sent out to parents/carers on 22 May 2019. Please ensure you return the permission slip and voluntary contribution by Monday, 10 June 2019. Thank you.

School Places: We are very fortunate to be in a position where most of our classes will be at full capacity from September 2019. If you are intending to move your child, please advise the School Office or speak to Mrs Doughty Davis so we are able to accommodate other families wishing to join us.

School Meals: We are looking forward to working with Huish Catering from Monday, 3 June who is our new hot school meal provider. Orders for w/c 3 June have now been placed. If your child is in KS2 and would like to order meals, please fill in a slip which you will find in the holder in the hall lobby and post, along with exact payment, into the black postbox by Tuesday morning at the latest (for meals the following week).

PFA: Frozen Fridays: Continuing from Friday, 7 June, the PFA will be selling ice lollies outside the top gate (as long as it is not raining!) until the end of term. Prices start at less than a £1.00. Please have a clear out over half term—**Bags of Help** are making another collection on Tuesday, 4 June—leave your bags at the top gate at 09:00. Thank you.

Safeguarding: There is a website with information on anxiety written with the Action for Children & The Children's Society charities. The idea being that parents need support with this issue given that the NHS estimate that 13% of children suffer with anxiety so this website provides parents with support for this issue. Capture a Comment: *"What have you enjoyed this week?"*

"We chose a leaf to look at really carefully, with a magnifying glass, we observed it. We then drew exactly what we saw and then we had some clay to mould exactly what we felt. Leaves are really interesting!" (Year 3 pupil Sedgemoor)

Questions on the Gate: *"When will I know about the class trip for my child?"*

All trips will be finalized by the end of the first week back after half term as we are still waiting for some quotes.

Safe Families for Children: This is a local charity in need of more volunteers, to assist local families to provide much needed support, for as little as an hour a week or fortnight. They have a contract with Somerset County Council to support isolated and struggling families in South Somerset & Mendip and we need you! It could be support for the parents: perhaps a listening ear, help decluttering, company going to a toddler group, assistance with forms. It could be with the children: listening to them read, playing games, going to the park, helping with homework etc. For more details www.safefamiliesforchildren.com or contact Dawn on dawnholmes@safefamiliesforchildren.com or 07384 218826.
