Enrichment activities				
Monday 8 <sup>th</sup> February	Tuesday 9 <sup>th</sup> February	Wednesday 10 <sup>th</sup> February	Thursday 11 <sup>th</sup> February	Friday 12 <sup>th</sup> February
Geography	Science	PE	Art/DT	DT
<p>LO: To label a map using geographical vocabulary</p> <p>Go for a walk and see which of these things you can see: beach, cliff, forest, hill, port, harbour, mountain, ocean, river.</p> <p>Can you draw a map of your local area and include the things from the list that you saw?</p> <p>Which things didn't you see? Why didn't you see them? Write them down and explain where you might see them. E.g. 'I didn't see the ocean because we don't live near a beach'</p>	<p>LO: To create a meal showing the four seasons</p> <p>Let's get cooking! You can make a pizza/salad that shows the 4 different seasons. Think about what ingredients to use and their colours or draw a picture of a pizza/salad showing the 4 different seasons. Remember to stick your picture into your English book. There is an example attached to pack 6 to give you some ideas!</p>	<p>LO: To master basic movements</p> <p>Last week, you used the exercise sheet to record how many of each exercises you were able to do in 1 minute. This week, do it again and try to beat your score! Record your new score on the sheet along with the date.</p> <p>Also try to do one of the following workouts: Cosmic Yoga Joe Wicks (both can be accessed through YouTube)</p>	<p>LO: To evaluate ideas and products</p> <p>During pack 4, you designed your own waterproof coat! Think back to this. What materials did you decide to use? Why? Can you draw it again?</p> <p>Once you have done this, stick your drawing in your English book. Then draw a line down the middle of your page and label one side 'Good things' and the other 'Improvements'. Think carefully and make a list of things that are good about your coat and what could be improved next time.</p>	<p>Making a meal/cooking</p> <p>Help plan an evening meal. Think about how you can make it balanced. Talk to an adult about this and try to come up with a plan. Once you have decided, help to cook the meal.</p>

Suggested daily routine	
Before 09:00	Wake up
09:00	Academic time
10:30	Fresh air
11:00	Creative time
12:00	Lunch
12:30	Jobs
13:00	Quiet time
14:30	Academic time
15:30	Fresh air
17:00	Dinner
17:30	Screen time
18:00	Bedtime Routine
