Enrichment activities			
	Wednesday 6 th January Art L.O: To design a product In English, we have watched the short film called 'Something Fishy'. There are many different sock sea creatures in the film. Can you draw a design for your own sock sea creature? Think about the colours you are going to use and the different materials.	Thursday 7 th January Science L.O: To learn about the four seasons Can you name the four seasons? For this activity get creative by making a poster, model or picture showing the four seasons and events that may take place during it.	Friday 8 th January PSHE L.O: To learn how diseases are spread and how they can be controlled. Why is it important to wash our hands? For this activity draw around your hands and write or draw a picture in your hands of why it is important to keep your hands clean. Make your hands as colourful as possible. You could also make up a song to help you remember how to wash your hands correctly!
