How the schools within the Trust operate:

Preston Primary Academy Trust and Local Governing Bodies (LGB) employ Headteachers to maintain the individual nature of the school, giving autonomy in day to day decision making, such as staffing and school organisation.

The Trust will support the Headteacher and Local Governing Body to set a balanced budget.

Each school controls its own budget with the Headteacher and LGB responsible for the day to day management of the finances. The Headteacher, alongside the LGB make informed decisions about spending for the benefit of all children.

The Trust ensures that each school's budget allocation is used only for the intended school and will be used to set a balanced budget to meet the schools priorities.

Each school's accrued reserves remain within that school for its own use.

Financial accounts are presented to the LGB and Directors Finance Committee at regular intervals to ensure transparency.

Accounts are audited annually.
