

# HEPS Jobs Bulletin - Mar 2021

We would really like to recruit the following jobs from our community. Please pass this on to anyone you know who would be suitable for the standards we uphold in our lovely school.

We are looking for friendly, reliable, energetic and enthusiastic adults to assist the children during time when they are not in lessons. These roles are very important to the experiences our children receive, so excellent attendance and punctuality are vital. We will arrange and pay for your training to become a paediatric first aider and support you whilst you settle into these roles.

For **Busy Bees**, our after school provision, we need someone who is happy to play games with the children, can rustle up beans on toast and can listen to readers to help them progress. Please get in touch if you think this is for you.

For **lunchtimes**, we are looking for someone who is able to supervise a group of children usually outside playing their own games and someone who can scoop up and include any children who need a hand with joining in. You may also be based in the hall to help serve and supervise lunches.
