**Staff news:** We have had a busy week with recruitment with some excellent news. After seven years of working at HEPS, Mr Clements has secured a Senior Teacher post at a school in Axminster; we wish him the best of luck in this new role from September. We are delighted to announce that Miss Emily Moores and Miss Catherine Parsons will be joining us from September as new class teachers. We have also been fortunate to welcome back Miss Megan Gosling as an HLTA (Higher Level Teaching Assistant) from September.

**Communication:** If you have a question about anything at all please feel free to ask the school. Our communication is via the website, Twitter and this newsletter. Mrs Soakell is ready and waiting for your call between 08:30 and 16:00 every day.

**School Lunches:** Please make your menu choices and/or book & pay on WisePay by 09:00am on Tuesday, 8 June 2021 for meals w/c 14 June 2021 (week 2 menu).

**Parrett parents:** All Parrett parents will be able to come onto site from Monday when we return after half term to drop off their children, however, some parents may wish to continue to drop off at the gate which is perfectly fine too. Children accompanying siblings must stay with their parents at all times and should not go into the main playground, touch any surfaces or approach any other children.

All other parents and carers will continue to drop off their children at the gate.

**Spellings:** We will be focusing on spellings after half term with all year groups. You can help your child by practising these with them over the holiday. You will find the statutory spellings at the back of the planner and on the vocabulary mats sent home with children this week.

**Safeguarding re. the park over half term:** The groundworks for our new classrooms will start during this half term. Due to there being restricted access to this area of the school, the Memorial Field car park and playground will unfortunately be out of use for some of half term. We are working closely with the Memorial Field Committee to ensure that whilst this work is ongoing we are respectful of their property and everyone's safety. Please speak to your child about keeping clear of this area when the signs indicate that work is going on.

**Capture a Comment:** "The best part of my week was swimming. We were practicing the front and back crawl this week. I was really pleased with how much I've improved, especially with my front crawl." (Maisie, Kingsmoor)

**Question on the Gate:** "What's the new classroom like?"
