Safeguarding: We know that almost all children will be spending time online which we believe to be a great way for them to learn and relax. We also know that almost every week Mrs Doughty Davis has to speak with a family about children accessing inappropriate games, content and material of the most serious nature. The reason given is almost always that friends have access to this content or unguarded internet. This is not reason to be permitting children in our school to be accessing games designed for 13+ and 18+ year old young adults and to have unguarded access to the internet.

Please take a look at www.internetmatters.org to get expert support and practical tips to help children benefit from connected technology and the internet safely and smartly.

Capture a Comment: This week overheard by Mrs Doughty Davis and a new parent in Parrett

Joe to new pupil: You are so good at your letters already. They are really good.

Isaac to new pupil: Yeah, they are very good. You are trying really well.

Felix to new pupil: Let me see ... Mrs Brown is going to be very happy with them. You are trying so much which is what she likes a lot. You might even get a house point.

Question on the Gate: *"Can I book Early Birds and Busy Bees for next term yet?"*

"We will email all parents when we open the bookings for Early Birds and Busy Bees for next term. This will be over the next few weeks when we have new parent details for the Reception children.

We also hope to have the clubs list ready before the end of term so this will be in place ready for our return after the summer.

Both clubs and childcare will be confirmed on a first come first served basis."
