Friday 23 July 2021

Dear Parents and Carers,

On behalf of the governors, I would like to thank all the children and you as parents and carers for the support and understanding that you have shown over the last school year.

There have been some very difficult times for everyone and here at HEPS the focus has not only been on the children but supporting you and your families through these tough times. I would like to thank you for your patience with the changes that have been necessary over the year as restrictions have changed and I would like to congratulate you all on the amazing job that you have done when having to home school. As a parent myself I fully appreciate the difficulties there have been trying to juggle work, home life along with teaching our children. So I'd like to say a huge thank you for your hard work in that, this has been reflected with how well the children have settled back into school and the great progress they are all making with their education. This can only be achieved by the combined hard work of you all along with the staff.

There are exciting times ahead for the school with the new classroom that is due to be ready for the start of next term and I know that when allowed you will all be invited back into the school grounds to see how the school has grown and to see the great work that the children have been doing.

In the meantime, please enjoy the summer break as best you can with your friends and family. Take care of yourselves and stay safe.

Best wishes,

Mrs Russell Head  
Chair of Governors
