Message from Mrs Doughty Davis re car park

Campout Information

School Lunches: Please make your menu choices and/or book & pay on WisePay by 09:00am on Tuesday, 6 July 2021 for meals w/c 12 July 2021 (week 3 menu).

Swimming: We have been able to secure additional swimming sessions over the next few weeks to make up for the dates when the pool wasn't available. These sessions will be offered to children where the original full payment for sessions has been received by the end of Monday 5 July. Dates will be sent out to parents where payment has been received.

Senco: Somerset Parent Carer Forum's activities are carried out for the benefit of parents, carers and families of children and young people with special educational needs and disabilities (SEND) in Somerset. Parents and carers can feed back their views on provision in Somerset for children and young people with SEND and there are a number of surveys and listening events that parents and carers are able to take part in. Please visit <https://somensetparentcarerforum.org.uk> or call 01458 259384 for more information.

Clubs: We now have a provisional list for after school clubs for September. Initially we will be offering one club to each class run by their teacher to keep the bubble closed. We are hoping that if circumstances allow, we can open each club up to more classes.

We will be sending out more information before the end of term via email and a letter home. Please return slips as soon as possible as places will be limited with priority for children with good attendance.

New classrooms: Work is currently underway clearing the site for the new classrooms. Unfortunately this means that the car park will be intermittently closed. We will give as much notice as possible if the car park and playground is going to be closed and apologise in advance for this inconvenience.

Reports: Teachers are currently busy writing the end of the school year reports. These will be sent out in two weeks' time. We do not hold a parents evening this term.

Safeguarding:

Please speak with your child about the dangers of playing near or in water. We will be speaking with them too over the next few weeks. We've attached an online booklet for you and your child to read which highlights how we can all stay safe near water.

Capture a Comment:

"There's been lots going on this week. We finished SATs this morning and it's kind of sad. I can't wait to find out how I did!"

"The breakfasts were amazing! My favourite was the pancakes with strawberries and cream. I ate so much that I thought I was going to burst. It was like being on a school trip, eating breakfast with all your friends."

"We've got bowling tonight and lots of fun stuff coming up. But I'm also feeling kind of sad because we only have a few more weeks left until we leave. Sometimes I think I'm ready to leave but today I want to stay here forever." Our lovely Year 6

Question on the Gate: "Is there a sports day this year?"

"If the weather is kind to us we will be holding our old fashioned sports day during the last week of term but only if local circumstances permit. We will be keeping the children in bubbles for all events, ensuring all equipment is cleaned appropriately and undertaking all of the events outside. It saddens me to say that on this occasion we will not be permitting parents, carers or families to join us.

We hope that this cautious approach will enable everyone to have a healthy holiday ready for a full start in September."
