Dear Parents and Carers

I am writing to you to confirm that unfortunately your child does indeed need to self-isolate until Thursday of next week. We will welcome the children back into school on Friday 23 July.

The letter I sent to you before was a template from Somerset County Council. It included the official guidance and detail regarding self-isolation and the procedures we need to follow. However, for additional information please go to: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/> . The information on this page simplifies the details of self-isolation such as:

Don't

- ✗ do not go to work, school or public places – work from home if you can
- ✗ do not go on public transport or use taxis
- ✗ do not go out to get food and medicine – order it online or by phone, or ask someone to bring it to your home
- ✗ do not have visitors in your home, including friends and family – except for people providing essential care
- ✗ do not go out to exercise – exercise at home or in your garden, if you have one

In some cases those self-isolating or being restricted due to the self-isolation of others can apply for financial support. We know that some of the cases linked to the school have been successful in accessing funds from here. For more details, please click on the link and follow the process:

Please contact the School Office with any questions you may have.

Yours sincerely
