Miss Chadbourne, Deputy Headteacher

Letters/emails sent out recently or reminders:

Green Team Mufti Day	All pupils
CLP Football/Netball League	Relevant pupils
Residential Trip Letter Year 4 & Year 6	Year 4 & Year 6

School Lunches: Please make your menu choices and/or book and pay on WisePay by 09:00am on Tuesday, 21 September 2021 for meals w/c 27 September 2021 (week 1 menu).

Early Birds and Busy Bees: We still have a few places on some mornings for a delicious breakfast with Early Birds. Busy Bees children enjoy a hearty snack and drink, complete some reading and play games after school. If you would like to book either service then please use WisePay. Mrs Soakell, in the School office, is very happy to help you set this up or with any issues you encounter.

Volunteers for Magdalen Farm: We would like to say a huge thank you to all of our adult helpers last week. Mrs Paull, Ms Rumsey, Mrs Jones, Mr and Mrs Forward, Miss Machnowska, Mrs Guskov, Mrs Stickland, Mrs Doble and Ms Lewis without your help these trips would not be able to take place.

Harvest festival: We are undertaking a non-perishable food collection for Harvest in the next few weeks. We will write to you with more information in the next few weeks.

Girls only: Next week, we will be speaking briefly with all girls in Years 3-6 about where to find sanitary products and help when in school. Our experience guides us with this being the most appropriate age range. If you have not discussed this with your daughter yet, then speaking with them before next week would be good timing. We will answer any questions they raise in a brief and honest manner reflecting the same care we give through all areas of teaching and learning.

INSET days: INSET days are for staff development and training therefore no children are permitted in school. The dates for this year can be found in your child's planner and here:

Monday 6 September Friday 22 October Friday 18 February Monday 25 July Tuesday 26 July

Clothing and uniform collection: We have booked a clothing collection on Tuesday 21st September—next week. Uniform with a logo should be placed in a separate bag to all other items.

The collection can take clean adult and child clothing, shoes, bags, accessories, bed linen and soft cuddly toys. No duvets curtains or pillows please.

The money we receive for this will be a start to our fundraising for the library so please bring as much as you can. A member of staff will help you unload on Monday and Tuesday morning in the car park after everyone has left at around 09:05.

Safeguarding: Please don't send your child into school with nut products. We have children in school with nut allergies where this could be mean the onset of a serious reaction. Nutella has been sent into school this week in sandwiches even though it contains nuts as a main ingredient.

Capture a Comment: *"The best two things about my week are House Captain elections and swimming. It's good to have swimming lessons at school to learn how to swim, and we've been starting to learn how to rescue someone if they're in trouble in the river. Also, I'm hoping to be voted as a House Captain for the Blue Team. I have to create a really good speech and hope I get lots of votes!"* (Charlie, Year 6)

Question on the gate: *"Are private music lessons returning to school?"*

"As the schools grows, our main building spaces are used increasingly by groups of children and adults. With this in mind, we will not be reintroducing one to one music lessons during the school day. All children receive a good music offer from our curriculum which includes instrument tuition. We are open to groups including music teachers hiring our spaces before or after school where we have the capacity."

Sparkle Jar Reading at least 5 times per week last week
