Cancellation of Haymoor After School Club

Haymoor Pupils

**School Lunches:** Please make your menu choices and/or book and pay on WisePay by 09:00am on Tuesday, 25 January 2022 for meals w/c 31 January 2022 (week 2 menu).

**Year 4 residential:** Mrs Doughty Davis will be speaking with the children in the next two weeks about the residential. We know some children will have some questions and possibly a few worries about food, sleeping arrangements, activities and what happens if they feel wobbly. These will all be answered once we been on our recce to Kilve. One thing is certain—everyone on the trip will be asked to bring a companion in the form of a favourite teddy or similar, staff included!

**Stamps:** We collect used stamps for charity. Please send them into the School Office. Thank you in advance.

**Swimming:** Saltmoor swimming sessions have started, please make your payment on Wisepay. We are still struggling for volunteers to walk the children to and from the pool. Please contact the School Office if you are able to help.

**World Book Day:** World Book Day will be taking place on Thursday 3 March 2022 and the theme will be Roald Dahl. We will send out more information nearer the time regarding connected activities.

**Flu Vaccinations:** We are aware that some parents/carers may have received a text message from the NHS stating that their school-aged child is eligible for a flu vaccination, if your child has already received their flu vaccination in school please disregard this message. If your child has not received their flu vaccination and you would like to arrange this our team will be offering the following walk-in clinics (no appointment needed).

**Safeguarding:** Please note that we have children in school with a nut allergy. We ask that no nut products are brought into school through snacks or lunches, including Nutella. Your support is appreciated with this matter.

**Capture a Comment:** “My favourite bit of the week was DT because we designed a wormery. We looked carefully at the good things for worms to eat like peelings, but not onion peelings, and they are not allowed to eat meat or fish because they might die. I drew a picture of the design and I labelled it with a blanket because they like the dark and that’s why they like the soil. I also labelled the materials I used like glass, sand, soil, sand and soil in layers so it’s very dark with the soil on top because that’s what they like in their habitat.” (William, Year 2)

**Question on the gate:** “Are there COVID cases in school?”

“Yes, there is absence in school related to COVID and this has been the case for many months. We are ready to send information to parents following the direction of Public Health if or when cases reach a threshold.

We are still asking parents and children to take precautions and to test regularly, especially if notified that a close contact has tested positive. Please keep the school informed if your child tests positive as this helps us gauge whether we need to make changes to our offer. As we would expect at this time of year, there are a number of other bugs and illnesses in the community which are also affecting our attendance.”
