We are all looking forward to meeting our newest colleague who will ensure our children receive the best education possible. We know that our school can only be as good as our staff team.

We welcome applications from Teaching Assistants at all stages of their career. Full training and development will be available for the correct candidate. This role may include working with children 1:1, in small groups, or the whole class, which is dependent on the experience and the skills of the successful applicant.

We welcomed Ofsted into our school last year and received a positive report which noted "Aspirations for pupils are evident in the school's values and ambitious curriculum." All staff contribute to this success by:

- Building strong and positive relationships with the children, parents and staff
- Being excellent communicators whilst being professionally discreet
- Having high expectations of themselves and others in academic standards and behaviour

To see what we can offer you for the next stage of your career, we strongly encourage you to visit us (COVID safety measures will be in place). Please email: office@HEPS.ppat365.org for an appointment and include a phone number.

Please apply in writing by completing the application form available from the School website <https://huishepiscopiprimary.co.uk/>. Applications should be returned to the School Office: office@HEPS.ppat365.org

This post will require a criminal background check via the disclosure procedure. The trust is committed to Safeguarding pupils and operates a Safer Recruitment Policy.
