Monday 28 February 2022

Dear Parents and Carers,

The Friday before the holiday was allocated as an INSET day. We had planned to review the curriculum with Teachers and HLTAs ready for September 2022. Additionally, several members of staff were undertaking first aid training.

On the Thursday afternoon we were told that all schools should be closed and that children and staff should not be in school or travelling to or from school due to a red weather warning. Unfortunately this meant that we were unable to undertake the review and training at that time.

Due to the essential nature of the training missed I am allocating Friday 11 March as an additional INSET day where children will not be in school. In setting this new date I have balanced giving as much notice as possible to parents and carers before first aid coverage becomes an issue. Early Birds and Busy Bee bookings for the 11 March will be refunded over the next few days.

I understand that this may cause childcare issues for some for which I can only apologise. As many of you will know, this is not a decision I have made lightly knowing how much time has been missed in school over the past few years.

Kind regards,

Mrs Tiffany Doughty Davis

Headteacher
