Mr Russell Head

Vice Chair:

Mr Sam Jackson

Designated Safeguarding Lead:

Mrs Doughty Davis, Headteacher

Deputy Designated Safeguarding Lead:

Miss Chadbourne, Deputy Headteacher

Letters/emails sent out recently or reminders:

Book Fair

All pupils

School Lunches: Please make your menu choices and/or book and pay on WisePay by 09:00am on Tuesday, 1 March 2022 for meals w/c 7 March 2022 (week 3 menu).

Staff news: We will be recruiting an additional Lunchtime Supervisor to work with our lovely children at lunchtimes. Please see the information sent with this bulletin if you or anyone you know may be interested. Please speak with Mrs Doughty Davis if you would like to find out more before applying.

Visitors and visits: All classes will be experiencing an enrichment activity over the next few weeks if they haven't already. Please pay for these on WisePay when you are emailed. The School would like to pay entirely for a visit to We The Curious for Years 1-6 in the summer term, however, this will only be possible if this term's enrichment activities are paid for in full.

World Book Day: World Book Day will be taking place on Thursday 3 March 2022 and the theme will be Roald Dahl.

We encourage pupils to dress up as their favourite Roald Dahl character on the day.

Our competition this year is 'Story on a Mask'! Can you create a recognizable story by making or decorating a mask? Entries can come in on the morning of World Book Day and we'll judge the winners of each class. There will be book prizes for our winners.

The pupils will take part in lots of book related activities throughout the day. Look out for our photos on the HEPS Twitter page.

Community Inclusion and Activity Team - Activity Calendar: The Community Inclusion and Activity Team are able to offer February half-term activities for children who have disabilities or additional needs. The activities include a variety of face-to-face, online and activity packs delivered to the young person's door. Please click on the following link for more information <https://www.somerset.gov.uk/social-care-and-health/children-with-disabilities-service/#Community-Inclusion-and-Activity-Team> (scroll down to the Community Inclusion and Activity Team - February half-term Activity Calendar).

Bike shed: Please take care when placing bicycles and scooters in the bike shed. Damage was caused to a bike this week which caused upset to the child in question. There is plenty of space for everyone's precious bike or scooter if they are placed sensibly.

Parents Evening: Parents evening will be taking place on Tuesday 29 March and Thursday 31 March 2022. On these dates we won't be running clubs, however, Busy Bees will be available for booking. These will be face to face appointments in the school hall and we encourage you to bring your child with you. Appointments will be booked on a paper return slip.

Safeguarding: Please ensure your child comes to school with a water bottle and, filled with water. We refill water bottles with water at lunchtimes and children do drink this. We give reminders about drinking frequently throughout the day to all children although we expect our older pupils to manage this themselves.

Capture a Comment: "My favourite this week was maths. We were learning about 2D and 3D shapes. The 2D shapes are flat and the 3D shapes have more than one surface. My favourite shapes are a triangular prism because I like the word 'prism' and a sphere because it's my sister's name! (Pollyanna, Year 2)

Question on the gate: "How much does my child need to read over the holiday?"

All children should be reading their school reading books at least five days a week. This requirement doesn't change over the holidays.

We understand that some children find reading challenging or just not their top priority. We find that if children are used to sharing books with parents and carers on a daily basis from birth then the enjoyment of reading becomes part of their daily routine. However, children are never too old to start daily reading by listening to an adult reading, listening to an audio book or being listened to. Reading is a pleasure which will last a lifetime, please take time to build this pleasure together as a family."

Sparkle Jar Reading—5 reads a week minimum
