Tuesday 22 March 2022

Dear Parents and Carers,

I have been organising the Leavers' Hoodies for Year 6. Purchase of the hoodies is completely optional, but it is something parents have requested in the past. It is a great way of celebrating the end of the primary school years and acts as a keepsake for Year 6 students.

This year, to comply with current safeguarding practice, the name of the pupil will not be displayed on the back of the jumper. Instead, the first names of the children in the class are written inside the number 22 on the back of the hoody.

If you wish to purchase a hoody, please click on the link below and select your style, size and colour choice. <https://www.leavershoodies.com/huish-episcopi-primary-school-2022-leavers>
After placing an order, you will still have access to your order so that you can make any changes yourselves, up until the store closes.

The deadline for orders is Sunday 17th April 2022, and unfortunately no orders will be processed after this time.

The hoodies will be sent as a bulk order to the school and will be distributed on Friday 13th May, after KS2 SATs, so the pupils can wear them for the London residential from the 16th May, if they choose.

Please note that the school is not processing nor is able to access details for the Leavers' Hoodies. If you have any queries, please contact the company directly.

Kind regards,

Miss Chadbourne
Deputy Headteacher
