School Lunches: Please make your menu choices and/or book and pay on WisePay by 09:00am on Tuesday, 10 May 2022 for meals W/C 16 May 2022 (week 1 menu).

Vaccinations: Healthy 5 to 11 year olds will be offered the COVID-19 vaccine from the beginning of April. Vaccinations will take place outside of school in vaccination centres, pharmacies, GP surgeries and walk-in centres. Parents of 5 to 11 year olds will receive a letter from the NHS with further information on the vaccine.

For 5 to 11 year old and 12 to 15 year old vaccinations, you can book here: [book COVID-19 vaccination appointments online](#), at a vaccination centre or pharmacy, or [find a walk-in COVID-19 vaccination site](#) without needing an appointment. Appointments and walk-ins can be accessed for 12 to 15 year olds now, and bookings will open up for 5 to 11 year olds from the beginning of April.

Swim kit spares: We occasionally have children who forget their swim kit and aren't then able to go swimming. If you have any spares, could you please send them into school. We would be very grateful for all donations of kit for any age.

Kingsmoor Booster: There will not be a booster this week or next week due to the Year 6 residential to London and SATs.

We wish Kingsmoor pupils well for next week!

Early Birds: A gentle reminder that Early Birds opens at 08:00, we cannot allow any children in before this time. Please wait until 08:00 or after to ring the buzzer. Similarly, all children need to be in Early Birds by 08:15 if a slot has been booked. We understand an occasional late arrival but can't accommodate this on a regular basis as staff are supervising children who are already present.

Leazemoor Bake Sale: We kindly ask for Leazemoor pupils to bring in cakes on Friday morning. We will be selling these on the playground at 15:30.

WisePay/Parent Pay: Later this term we will be changing our payment system from WisePay to ParentPay. We haven't taken the decision to move lightly as it will mean a great deal of work for the School Office to have this up and running. We will send you more details later this term of actions you need to take in preparation for the switch.

Whole school educational visit: We are sad to report that our whole school trip to We The Curious this term has been cancelled due to the recent fire. However, all classes will have their own educational visit or experience so the children will not miss out.

Kilve: Thank you to Portmoor parents for lending us your children for a few days. They were a credit to you and a credit to the school. Lots of new experiences will go to make some very happy memories. Mrs Pengelly and Miss Moores also deserve a huge thank you for taking such good care of the children.

Quadkids: The children who attended the QuadKids session on Tuesday after school showed excellent sporting qualities when participating and marshalling. We are very pleased to announce that HEPS were placed first in the competition—Go HEPS!

Safeguarding: The weather is forecast to be very hot next week. All children will need to have a sun hat and sun cream applied before they arrive in school.

Capture a Comment: *"This has been the best time ever!"* (All of Year 4)

Question on the gate: *"Why have you been teaching my child?"*

"The period for Year 2 SATs started on 3 May and continues to 27 May. This means most children in Year 2 complete two maths papers and two English papers during this time. The children work in a small group with me for a short time before they complete the papers. They are unaware that they are completing SATs which is exactly the intention. The children do seem to enjoy the small group work and the biscuit rewards afterwards!"
