Monday 13<sup>th</sup> May 2024

Dear Parents and Carers,

As part of our commitment to a broad and balanced curriculum, we are pleased to announce that on Wednesday 12<sup>th</sup> June, Perrymoor will take part in a Rivers and Water Learning Day linked to our Science and Geography curriculum. This will be delivered on our visit to Ashford Water Treatment Centre near Bridgwater. We will leave from school 9:15 and return at 3:15 so please ensure your child arrives at school on time.

The pupils will have the opportunity to participate in a day full of activities provided by Wessex Water, learning about many different aspects of water and the water cycle. It includes a tour of the Water Treatment Centre, activities by the river and a reservoir walk.

This trip is £10.00 per child. This includes coach transport and all the educational activity sessions.

Children will need to bring a packed lunch, or you can order a school packed lunch through Schoolcomms. They will need a refillable non-glass water bottle.

Pupils will need to have suncream applied before school, a hat and suitable outdoor clothing for wind/rain/sun and wellington boots or old trainers for the river walk. They will also need spare trainers/shoes to wear for the return coach journey. Please pack a waterproof jacket and provide a small backpack to carry their things. Please include a carrier bag for the dirty wellies/old trainers on the way home.

We will need some parent/carer helpers. If you would like to join us, please email the school office [office@heps.ppat365.org](mailto:office@heps.ppat365.org).

Kind regards,

Mrs Atkin

Perrymoor Class Teacher
