Dear Parents and Carers

We wrote to you in July about the three-day residential for our Year 4 pupils to Osmington Bay Residential Centre in Dorset, from Wednesday 23 April to Friday 25 April 2025.

The pupils will have the opportunity to participate in a variety of activities such as climbing, abseiling and archery. This will be the first trip away from home for some of our pupils and will be an adventure packed three days where the children will develop independence and confidence in themselves. All activities will be led by the highly skilled staff at the centre and of course our HEPS staff will be ever present, ensuring safeguarding of children remains our highest priority.

The cost of the trip is £285. Schoolcomms is now open so payments can be made in instalments over the school year. We ask that a deposit of £80 be placed by Monday 4th November and full payment made by 1st March 2025.

We are very keen to offer this opportunity to every child but appreciate these are difficult times for some families. If you are interested in reserving a place for your child but are concerned about your ability to pay, please call the school office so a repayment plan can be agreed. Any contact will be treated with sensitivity and confidentiality.

An information evening will be held in the Spring term which will give further information about the trip.

Yours sincerely

Miss Chadbourne
