Miss Mac

We are pleased to announce that after eighteen months of hard work, and a testing final assessment earlier this week, Miss Mac has successfully completed her Teaching Assistant Apprenticeship. This is testament to her determination and taking every opportunity to learn from very experienced and able professionals around her. Well done Miss Mac!

Safeguarding and support

Cyberbullying is the use of technology to harass, threaten, embarrass, or target another person. Online threats and mean, aggressive, or rude texts, tweets, posts, or messages all count. So does posting personal information, pictures, or videos designed to hurt or embarrass someone else.

We take measures to stop this occurring and to support where necessary by:

- Having secure internet filtering which is audited every month.
- Discussing and talking about prevention in PSHE and computing lessons.
- Creating a safe space for reporting incidents.

For more support and information, please contact the NSPCC on 0800 1111.

This number is in the planner so children can report any concerns directly.

Clubs

Summer term clubs will be opening on the Schoolcomms app on Friday 28th March, 4pm.

To ensure every child has an opportunity to attend, please limit your choice to two clubs per child. We will remove clubs where too many have been booked.
